Level 1

About Me

Complete Lesson Guide · Ages 6-8 · CEFR Pre-A1

20 Lessons | 4 Bonus Classes | 188 Words | 10 Vocabulary Themes

Welcome to Level 1! I'm Omar -- let's build real sentences together.

Real sentences begin here: describing things, saying what your child likes and doesn't like, and talking about their home, clothes, and abilities.

By the end of this level, your child can:

- Form simple sentences with "this is..." / "I am..."
- Describe size ("big", "small") and count to 20
- Say what they like and don't like
- Name rooms, furniture, and clothes
- Talk about the weather and days of the week
- Use prepositions like "in", "on", and "under"
- Describe shapes and simple opposites
- Say what they can and can't do

Sample vocabulary

boy ولد · cat قطة · twelve اثنا عشر · yellow أصفر · bread خبز · window نافذة · shoes حذاء · stormy عاصف وممطر · sing يغني · turtle سلحفاة

Grammar

A new sentence pattern in nearly every lesson -- "this is", "I like", "I can", "where is" -- used in real sentences from day one. Formal grammar rules and the Grammar Hub begin in Level 3.

How this level is taught

1 **Prepare in the app**
Before each live class, your child meets the lesson's new words, sounds and sentences on their own, so they arrive ready.

2 **Live class on Microsoft Teams**
A real teacher leads the same lesson in a small group of up to four students at this level, with a supervisor on hand.

3 **Homework**
Spelling, drawing, Say It and a short quiz, all tied to that lesson; plus a printable worksheet, writing sheet and flashcards.

4 **Grow on the map**
Every finished lesson lights up the next step on the adventure map and unlocks that lesson's bonus game.

This level's story: "The Treehouse Club"

A four-part illustrated story told entirely in this level's own words, with the text in English and Arabic under every page (and a Hide/Show text button for reading practice). Each part unlocks as your child progresses:

Part 1 The Big Idea (after Lesson 5) · **Part 2** Building Day (after Lesson 10) · **Part 3** Grand Opening Prep (after Lesson 15) · **Part 4** The Backyard Party (after Lesson 20)

The About Me Hub

Open any time, not just during lessons: Vocabulary, Idioms, Writing & Speaking, Phonics (page 10). And after every finished lesson, a new round of this level's bonus game, **Treehouse Builder**, unlocks (page 11).

Every lesson has the same shape: new words with pictures, Arabic and audio → listening and matching practice → a short quiz and spelling → homework, a printable worksheet and flashcards. Lesson 20 is the level's Big Review.

Live classes run 45–90 minutes depending on the lesson: a little shorter at the start of the level, and the full 90 minutes for the Big Review in Lesson 20. Each Bonus Class runs 60 minutes.

Four Bonus Classes: how English works

A level is 24 live classes: the 20 lessons plus a Bonus Class after every four lessons. Each Bonus Class (60 minutes) explains how English really works — sounds, spelling, grammar or word history — compares it with Arabic, and practises it with games and creative tasks. After it, your child does a special bonus mission at home.

B1 How English Sounds Work: Lazy A, Quick E and Smiley I كيف تعمل أصوات الإنجليزية: A الكسولة و E السريع و I المبتسمة

After Lesson 4

Letters are what we see; sounds are what we hear. English has only 5 vowel letters but many more vowel sounds, so we must train our mouth and our ears.

B2 Sounds Arabic Doesn't Have: P, V and the Buzz أصوات ليست في العربية: P و V والطنين

After Lesson 8

Many English sounds come in twins: same mouth, but one buzzes in the throat and one only whispers. Arabic has b and f, but not their twins p and v, so we train them on purpose.

B3 Blending Builders: Sounds Into Words بنّاؤو الكلمات: من الأصوات إلى الكلمات

After Lesson 12

Reading is pushing sounds together from left to right (blending); spelling is pulling a word apart into its sounds (segmenting). English writes its vowels as letters, so we read every letter and never skip the middle.

B4 Tricky Words and Sentence Rules الكلمات الخادعة وقواعد الجملة

After Lesson 16

Most English words can be sounded out, but some very common words keep old spellings and must be learned by heart. A sentence also has rules: a capital letter at the start, spaces between words and a period or question mark at the end.

Everything learned, ready to revisit anytime

Who they're for, and why

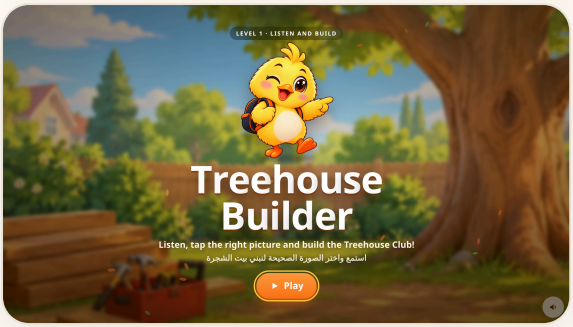

Writing practice: At this level, the task is still tracing and copying each word by hand, then drawing a picture for it. This continues building letter formation and muscle memory before sentence-writing begins at Level 3, and gives your child a non-verbal way to show they understood a word.

Flashcards: Every card shows the picture and English word on one side and the Arabic translation on the other. That means either parent can quiz their child at home, even without speaking English themselves -- a two-minute flip-through before bed is real, screen-free repetition that helps new words genuinely stick.

Treehouse Builder — How It Works

Treehouse Builder, this level's bonus game

A phonics-focused listening game: Lumi says a specific word built from letter sounds your child has already learned, and they find it among other words from that same phonics group -- with a treehouse piece added for every correct answer.

How to play

1. Lumi says a specific word (for example, "egg") built from phonics sounds your child has already covered in this level, and shows a few labeled pictures.
2. Your child taps the picture whose word matches what they heard -- since the sounds are still fresh, this trains real letter-sound recognition, not just picture memory.
3. A few rounds also use this lesson's own vocabulary and example sentences, so words and simple sentence patterns get practiced too.
4. Each correct answer adds a new piece to the treehouse -- a wall, a roof, a ladder -- until it's fully built and ready to celebrate.

A new round of the game unlocks after every lesson your child finishes, using that lesson's own words — so it is always practice, never random.
