Level 1

About Me

Complete Level Guide · Ages 6-8 · CEFR Pre-A1

20 Lessons + 4 Bonus Classes | 24 Live Classes | 188 Words | 8 Phonics Groups

Welcome to Level 1! I'm Omar -- let's build real sentences together.

Real sentences begin here: describing things, saying what your child likes and doesn't like, and talking about their home, clothes, and abilities. Reading begins too: a step-by-step phonics course teaches the sound of every letter, so your child can blend sounds and read real words and short stories.

By the end of this level, your child can:

- Form simple sentences with "this is..." / "I am..."
- Describe size ("big", "small") and count to 20
- Say what they like and don't like
- Name rooms, furniture, clothes, and pets
- Talk about the weather and days of the week
- Use prepositions like "in", "on", and "under"
- Say what they can and can't do
- Read every single letter sound and blend short words (sat, dog, chick)
- Read a short story using the sounds they know

Sample vocabulary

boy ولد · cat قطة · twelve اثنا عشر · yellow أصفر · bread خبز · window نافذة · shoes حذاء · stormy عاصف وممطر · sing يغني · turtle سلحفاة

Sentences, sounds and grammar

A new sentence pattern in nearly every lesson -- "this is", "I like", "I can", "where is" -- used in real sentences from day one, with Grammar Time and Common Mistakes slides where a pattern is new. Phonics runs alongside: 8 sound groups, one every other lesson. Formal grammar rules and the Grammar Hub begin in Level 3.

How this level is taught

1 **Prepare in the app**
Before each live class, your child meets the lesson's new words, sounds and sentences on their own, so they arrive ready.

2 **Live class on Microsoft Teams**
A real teacher leads the lesson for a small group of up to four students at the same level and lesson, with a supervisor on hand.

3 **Homework**
Spelling, Draw It, Say It, a phonics or grammar step, and a short quiz, all tied to that lesson; plus a printable homework sheet and flashcards.

4 **Grow on the map**
A lesson counts as done after prep, the live class and homework. Then the next stop on the adventure map lights up.

This level's story: "The Treehouse Club"

A four-part illustrated story told in this level's own words, read aloud with each word lighting up, with the English and Arabic text on every page (and a Hide/Show text button for reading practice). Each part unlocks as your child progresses:

Part 1 The Big Idea (after Lesson 5) · **Part 2** Building Day (after Lesson 10) · **Part 3** Grand Opening Prep (after Lesson 15) · **Part 4** The Backyard Party (after Lesson 20)

One level = 24 live classes, about 3 months

20 lessons plus 4 Bonus Classes (after Lessons 4, 8, 12 and 16), at 2–3 classes a week. Lessons run 45–90 minutes — shorter at the start of the level, the full 90 minutes for the Big Review in Lesson 20. Each Bonus Class runs 60 minutes.

The About Me Hub and game

Open any time, not just during lessons: Vocabulary, Idioms, Writing & Speaking, Phonics, Songs, Word games (page 12). After every finished lesson, a new round of this level's game, **Treehouse Builder**, unlocks (page 14).

Inside a live class

Every lesson in Level 1 follows the same order, so your child always knows what comes next. The teacher shares the lesson on screen and every student takes part: tapping answers, speaking, playing for stars. Arabic is there whenever it helps: every word has its Arabic meaning, and grammar rules come with an Arabic explanation.

1 Warm-up and quick recap

A hello routine, then a fast look back at the last lesson's words.

2 Phonics Time

In odd-numbered lessons: a new sound group, Listen & Spot, then a short story your child reads using only the sounds already taught.

3 Grammar Time

In lessons with a new sentence pattern: the pattern, guided practice and Common Mistakes that Arabic speakers make.

4 New words

Every word with a picture, its Arabic and a recorded voice, then Flash Race.

5 Sentences and a dialogue

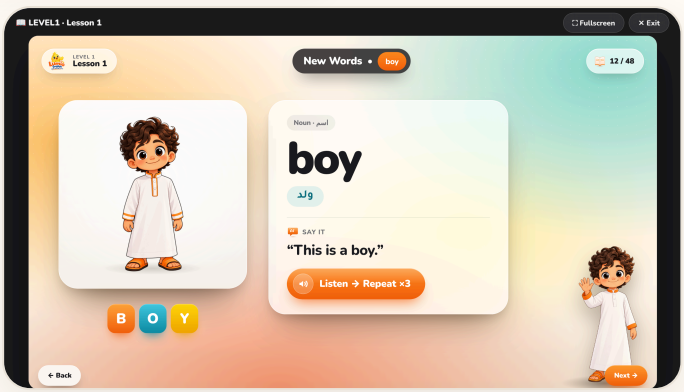

Build the Sentences, then a short dialogue that uses the lesson's words.

6 Games and checks

Memory Match, Sound & Spot, Quick Check, Your Turn and Mystery Picture, then a short quiz.

7 Today I Learned!

A recap of the words and sentences from the lesson.

A real vocabulary slide from Lesson 1 — picture, Arabic, example sentence and audio

Reading English, sound by sound

Level 1 teaches every single letter sound, in a careful order: s, a, t, p first, because they already make real words (sat, tap, pat). Your child blends sounds into words from the very first lesson. Every practice word and every short story uses only the sounds taught so far, so your child can always read it on their own. A few very common words that don't follow the rules ("tricky words") come one to three at a time.

1 **Group 1: s, a, t, p** — Lesson 1

Sounds: s, a, t, p
Tricky words: I

2 **Group 2: i, n, m, d** — Lesson 3

Sounds: i, n, m, d
Tricky words: the, a

3 **Group 3: g, o, c, k** — Lesson 5

Sounds: g, o, c, k
Tricky words: to, is

4 **Group 4: ck, e, u, r** — Lesson 7

Sounds: ck, e, u, r
Tricky words: go, no

5 **Group 5: h, b, f, l (ff, ll, ss)** — Lesson 9

Sounds: h, b, f, l, ff, ll, ss
Tricky words: into

6 **Group 6: j, v, w, x** — Lesson 11

Sounds: j, v, w, x
Tricky words: he, she

7 **Group 7: y, z, qu** — Lesson 13

Sounds: y, z, qu
Tricky words: we, me, be

8 **Review: Sounds That Sound Alike** — Lesson 15

Sounds: p, b, f, v, e, i

Each sound has a recorded voice and an Arabic hint (for example, /s/ is like the Arabic س), in class and in the Hub's Phonics section, so your child can practise at home.

Four Bonus Classes: how English works

After every four lessons comes a 60-minute Bonus Class. It explains how English really works — sounds, spelling, grammar or where words come from — compares it with Arabic, and practises it with games and creative tasks. At home, your child completes a bonus mission board, and each Bonus Class has its own printable worksheet and cards.

B1 **How English Sounds Work: Lazy A, Quick E and Smiley I** كيف تعمل أصوات الإنجليزية: A الكسولة و E السريع و I المبتسمة

After Lesson 4

Letters are what we see; sounds are what we hear. English has only 5 vowel letters but many more vowel sounds, so we must train our mouth and our ears.

B2 **Sounds Arabic Doesn't Have: P, V and the Buzz** أصوات ليست في العربية: P و V والطنين

After Lesson 8

Many English sounds come in twins: same mouth, but one buzzes in the throat and one only whispers. Arabic has b and f, but not their twins p and v, so we train them on purpose.

B3 **Blending Builders: Sounds Into Words** بنّاؤو الكلمات: من الأصوات إلى الكلمات

After Lesson 12

Reading is pushing sounds together from left to right (blending); spelling is pulling a word apart into its sounds (segmenting). English writes its vowels as letters, so we read every letter and never skip the middle.

B4 **Tricky Words and Sentence Rules** الكلمات الخادعة وقواعد الجملة

After Lesson 16

Most English words can be sounded out, but some very common words keep old spellings and must be learned by heart. A sentence also has rules: a capital letter at the start, spaces between words and a period or question mark at the end.

The level test and certificate open after all 20 lessons and all 4 Bonus Classes.

Who they're for, and why

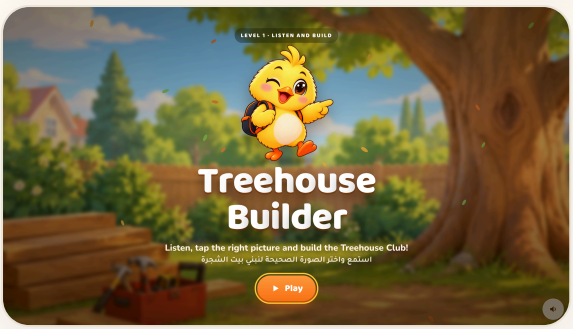

Writing practice: At this level, the task is still tracing and copying each word by hand, then drawing a picture for it. This continues building letter formation and muscle memory before sentence-writing begins at Level 3, and gives your child a non-verbal way to show they understood a word.

Flashcards: Every card shows the picture and English word on one side and the Arabic translation on the other. That means either parent can quiz their child at home, even without speaking English themselves -- a two-minute flip-through before bed is real, screen-free repetition that helps new words genuinely stick.

Treehouse Builder — How It Works

Treehouse Builder, this level's game

A phonics-focused listening game: Lumi says a specific word built from letter sounds your child has already learned, and they find it among other words from that same phonics group -- with a treehouse piece added for every correct answer.

How to play

1. Lumi says a specific word (for example, "egg") built from phonics sounds your child has already covered in this level, and shows a few labeled pictures.
2. Your child taps the picture whose word matches what they heard -- since the sounds are still fresh, this trains real letter-sound recognition, not just picture memory.
3. A few rounds also use this lesson's own vocabulary and example sentences, so words and simple sentence patterns get practiced too.
4. Each correct answer adds a new piece to the treehouse -- a wall, a roof, a ladder -- until it's fully built and ready to celebrate.

A new round of the game unlocks after every lesson your child finishes, using that lesson's own words — so it is always practice, never random. The Hub adds Memory Match, Word Pop, Word Builder and Balloon Pop for extra word practice.

Progress, Level Test & Certificate

Progress you can see

Your child's page shows every lesson: prep stars, the live class (attended, with the teacher's grade and comment) and the homework score. Totals show lessons finished, attendance, and the average teacher grade. You can open the same page at any time with your child's ID and PIN.

1 Finish the level
All 20 lessons and all 4 Bonus Classes, each with its prep, live class and homework.

2 Take the level test
30 questions built from this level's own lessons: pictures, Arabic to English, sentences and listening. About 15 minutes.

3 Pass with 70%
Bands: Pass (70%+), Merit (80%+), Distinction (90%+). The test can be retaken, and the best score counts.

4 Get the certificate
With your child's name, CEFR Pre-A1, test score and band, attendance, teacher grade and a list of what they can now do.
