Level 2

My World

Complete Level Guide · Ages 8-10 · CEFR Pre-A1

20 Lessons + 4 Bonus Classes | 24 Live Classes | 183 Words | 9 Phonics Groups

Hi, I'm Sara! Ready to explore school, family, and daily life with me?

The world widens here: extended family, telling time, daily routines morning and night, and pointing things out with this/that/these/those. Reading grows up too: two-letter sounds, blends, magic e and vowel teams, plus a Reading Lab text every third lesson.

By the end of this level, your child can:

- Greet people and introduce themselves properly
- Name extended family (aunt, uncle, cousin)
- Use he/she and possessives (my, your, his, her, our, their)
- Follow classroom commands and count to 100
- Name the months and tell the time
- Describe their daily morning and evening routine
- Point things out with this/that/these/those and make plurals (s/es)
- Read words with sh, ch, th, blends, magic e, and vowel teams (rain, tree, boat)
- Read a short text and answer questions about it

Sample vocabulary

birthday عيد الميلاد
aunt عمة / خالة
cousin ابن / ابنة العم أو الخال

homework واجب منزلي
breakfast الفطور

Sentences, sounds and grammar

Possessives and he/she, there is/are, classroom commands, telling time, this/that/these/those and plurals -- each taught through the lesson's own sentences, with Grammar Time and Common Mistakes slides. Phonics continues with 9 sound groups. The Grammar Hub with formal rules opens in Level 3.

How this level is taught

1 **Prepare in the app**
Before each live class, your child meets the lesson's new words, sounds and sentences on their own, so they arrive ready.

2 **Live class on Microsoft Teams**
A real teacher leads the lesson for a small group of up to four students at the same level and lesson, with a supervisor on hand.

3 **Homework**
Spelling, Say It, Talk, a phonics or grammar step, and a short quiz, all tied to that lesson; plus a printable homework sheet and flashcards.

4 **Grow on the map**
A lesson counts as done after prep, the live class and homework. Then the next stop on the adventure map lights up.

This level's story: "The Twelve Months Club"

A four-part illustrated story told in this level's own words, read aloud with each word lighting up, with the English and Arabic text on every page (and a Hide/Show text button for reading practice). Each part unlocks as your child progresses:

Part 1 New Friends, New Family (after Lesson 5) · **Part 2** School Days (after Lesson 10) · **Part 3** A Year of Birthdays (after Lesson 15) · **Part 4** The Big Poster Party (after Lesson 20)

One level = 24 live classes, about 3 months

20 lessons plus 4 Bonus Classes (after Lessons 4, 8, 12 and 16), at 2–3 classes a week. Lessons run 45–90 minutes — shorter at the start of the level, the full 90 minutes for the Big Review in Lesson 20. Each Bonus Class runs 60 minutes.

The My World Hub and game

Open any time, not just during lessons: Vocabulary, Idioms, Writing & Speaking, Phonics, Songs, Word games (page 13). After every finished lesson, a new round of this level's game, **Twelve Months Calendar**, unlocks (page 15).

Inside a live class

Every lesson in Level 2 follows the same order, so your child always knows what comes next. The teacher shares the lesson on screen and every student takes part: tapping answers, speaking, playing for stars. Arabic is there whenever it helps: every word has its Arabic meaning, and grammar rules come with an Arabic explanation.

1 Warm-up and quick recap

A hello routine, then a fast look back at the last lesson's words.

2 Phonics Time

In odd-numbered lessons: a new sound group, Listen & Spot, then a short story your child reads using only the sounds already taught.

3 Grammar Time

In lessons with a new sentence pattern: the pattern, guided practice and Common Mistakes that Arabic speakers make.

4 New words

Every word with a picture, its Arabic and a recorded voice, then Flash Race.

5 Sentences and a dialogue

Build the Sentences, then a short dialogue that uses the lesson's words.

6 Reading Lab

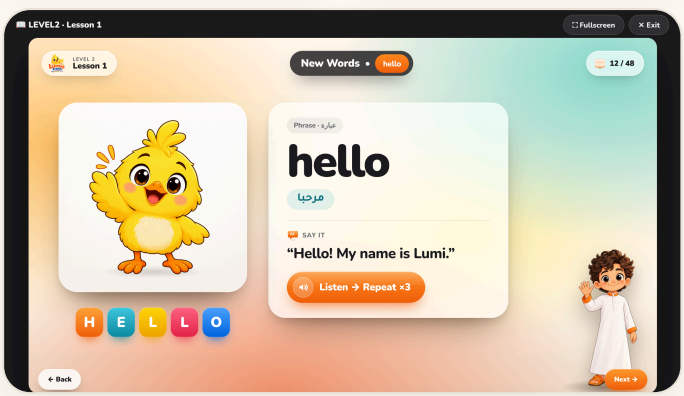

Level 2 only, in Lessons 3, 6, 9, 12, 15 and 18: a short illustrated text and questions (page 6).

7 Games and checks

Memory Match, Sound & Spot, Quick Check, Your Turn and Mystery Picture, then a short quiz.

8 Today I Learned!

A recap of the words and sentences from the lesson.

A real vocabulary slide from Lesson 1 — picture, Arabic, example sentence and audio

Reading English, sound by sound

Level 2 builds on Level 1: two letters that make one sound (sh, ch, th, ng), consonant blends, magic e, long-vowel teams and vowels with r. Every practice word and every short story uses only the sounds taught so far, so your child can always read it on their own. A few very common words that don't follow the rules ("tricky words") come one to three at a time.

1 Digraphs: sh, ch

Lesson 1

Sounds: sh, ch
Tricky words: was, you

2 Digraphs: th (two sounds), ng, nk

Lesson 3

Sounds: th, th, ng, nk
Tricky words: they, are

3 Ending Blends: nd, nt, mp, st, lk, sk

Lesson 5

Sounds: nd, nt, mp, st, lk, sk
Tricky words: all, some

4 Beginning Blends: bl, cl, fl, br, dr, tr

Lesson 7

5 S-Blends: sp, st, sk, sn, sw, sm

Lesson 9

6 Magic e: a_e, i_e, o_e, u_e

Lesson 11

Tricky words: one, like

7 Long Vowel Teams: ai, ee, igh, oa

Lesson 13

Sounds: ai, ee, igh, oa
Tricky words: do, were

8 Vowel + r and oo: ar, or, ir, oo

Lesson 15

Sounds: ar, or, ir, ur, oo, oo
Tricky words: my, your

9 Review: Read It All

Lesson 17

Sounds: sh, th, ng, a-e, ee, ar

Each sound has a recorded voice and an Arabic hint (for example, /s/ is like the Arabic س), in class and in the Hub's Phonics section, so your child can practise at home.

Real reading, every third lesson

Six short illustrated texts across the level, written with the words and grammar your child has already met. Two questions start the conversation before reading. The teacher reads the first part aloud, then the children read the second part themselves. Every word your child has already studied glows — tap it to see its Arabic and the lesson it came from — and two or three new words are explained.

After reading, six questions go from **Find it** (the answer is in the text) to **Think** (read between the lines) to **You** (connect it to your own life).

3 **Omar's Big Family** — Lesson 3
Family

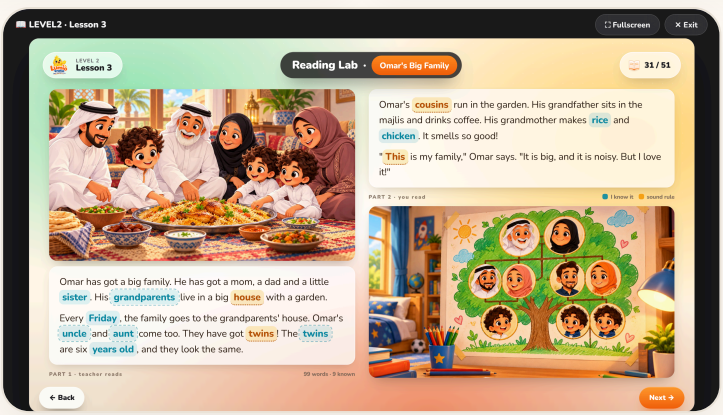

6 **What Is in Grandpa's Pocket?** — Lesson 6
Things We Have

9 **Good Morning, Class!** — Lesson 9

12 **Sara's Birthday Picnic** — Lesson 12

15 **Hamad's Evening** — Lesson 15

Four Bonus Classes: how English works

After every four lessons comes a 60-minute Bonus Class. It explains how English really works — sounds, spelling, grammar or where words come from — compares it with Arabic, and practises it with games and creative tasks. At home, your child completes a bonus mission board, and each Bonus Class has its own printable worksheet and cards.

B1 **Two Letters, One Sound: Digraphs** حرفان وصوت واحد: الحروف المزدوجة

After Lesson 4

English has about 44 sounds but only 26 letters, so it often uses two letters to write one sound: sh, ch, th, ck, ph and wh. A spelling detective counts sounds, not letters.

B2 **Consonant Clusters: Why We Say "Isport"**: تجمّعات الأصوات الصامتة: لماذا نقول «إسبورت»؟

After Lesson 8

English words can start with two or three consonant sounds together (black, please, school). Standard Arabic words never start that way, so our mouth adds a sneaky vowel (bilack, pilease, iskool). A detective catches the sneaky vowel and glues the sounds together.

B3 **Long and Short Vowels: Magic E and Vowel Teams** الأصوات المتحركة الطويلة والقصيرة: E السحرية وفِرق الحروف المتحركة

After Lesson 12

In phonics, each vowel letter has a short sound (cap) and a long sound that says its letter name (cape). A silent e at the end, or a vowel team like ai, ee, oa, is the spelling clue that tells us: say the long sound.

B4 **Syllables, Stress and the Three Sounds of -s** المقاطع والنبر وأصوات s- الثلاثة

After Lesson 16

English words are made of beats called syllables, and one beat is the boss: louder, longer and higher (BREAK-fast, ba-LOON). The plural -s also has rules: it hisses /s/ (books), buzzes /z/ (pens) or adds a whole beat /ɪz/ (boxes).

The level test and certificate open after all 20 lessons and all 4 Bonus Classes.

Lesson 1 homework sheet

Lumio English — LEVEL2 Lesson 1 — print double-sided, flip on long edge

hello | goodbye | please

thank you | sorry | nice to meet you

Lesson 1 flashcards (print double-sided)

Who they're for, and why

Writing practice: Your child still traces and copies each word by hand, but the second task has changed -- instead of drawing, it's now "Talk About It", an open question like "Can you use 'hello' in your own sentence?" This is a deliberate bridge toward Level 3, where full sentence-writing begins, easing your child from copying words into thinking in them.

Flashcards: Every card shows the picture and English word on one side and the Arabic translation on the other. That means either parent can quiz their child at home, even without speaking English themselves -- a two-minute flip-through before bed is real, screen-free repetition that helps new words genuinely stick.

Twelve Months Calendar — How It Works

Twelve Months Calendar, this level's game

A calendar-book theme built around this level's real phonics focus: Lumi says a specific word from the letter sounds your child has already learned, and each correct answer reveals a new month's page, building a full year of the calendar one page at a time.

How to play

1. Lumi says a specific word built from phonics sounds your child has already covered in this level, and three labeled pictures appear.
2. Your child taps the picture whose word matches what they heard, reinforcing the letter sounds behind it, not just the picture. A wrong tap costs nothing -- they simply try another option.
3. A few rounds also use this lesson's own vocabulary and example sentences, covering words and simple sentences too.
4. A correct answer reveals the next month on the calendar page; by the end of all six rounds, a good run earns a special "Wonderful!" celebration as the book fills up.

A new round of the game unlocks after every lesson your child finishes, using that lesson's own words — so it is always practice, never random. The Hub adds Memory Match, Word Pop, Word Builder and Balloon Pop for extra word practice.

Progress, Level Test & Certificate

Progress you can see

Your child's page shows every lesson: prep stars, the live class (attended, with the teacher's grade and comment) and the homework score. Totals show lessons finished, attendance, and the average teacher grade. You can open the same page at any time with your child's ID and PIN.

1 **Finish the level**
All 20 lessons and all 4 Bonus Classes, each with its prep, live class and homework.

2 **Take the level test**
30 questions built from this level's own lessons: pictures, Arabic to English, sentences and listening. About 15 minutes.

3 **Pass with 70%**
Bands: Pass (70%+), Merit (80%+), Distinction (90%+). The test can be retaken, and the best score counts.

4 **Get the certificate**
With your child's name, CEFR Pre-A1, test score and band, attendance, teacher grade and a list of what they can now do.

What the certificate says your child can do

- Greet people and introduce themselves properly
- Name extended family (aunt, uncle, cousin)
- Use he/she and possessives (my, your, his, her, our, their)
- Follow classroom commands and count to 100
- Name the months and tell the time
- Describe their daily morning and evening routine
- Point things out with this/that/these/those and make plurals (s/es)
- Read words with sh, ch, th, blends, magic e, and vowel teams (rain, tree, boat)
- Read a short text and answer questions about it
