Level 3

Everyday Life

Complete Level Guide · Ages 10-12 · CEFR A1

20 Lessons + 4 Bonus Classes | 24 Live Classes | 237 Words | 14 Grammar Topics

I've grown up a bit! Welcome to the Crew -- real grammar starts now.

Real grammar begins here, and the full character cast joins in: Omar, Sara, Noor, Ziad, and Hamad. Conversations get longer, opinions get shared, and your child starts using English the way friends actually talk to each other.

By the end of this level, your child can:

- Talk about what friends do together (Present Simple)
- Describe their room with "there is / there are"
- Say what they can and can't do
- Ask and answer Wh- questions about routines and skills
- Compare things ("faster", "bigger")
- Talk about what is happening right now
- Read a short text and answer questions about it

Sample vocabulary

hang out يقضي وقتا مع الأصدقاء

poster ملصق

beanbag كرسي إسفنجي

skateboard يتزلج بلوح

nervous متوتر

teamwork العمل الجماعي

Grammar

Present Simple, there is/are, can/can't, comparatives, articles, present continuous and more -- one clear grammar point per lesson, with the rule, practice, 10 grammar checks and the common mistakes Arabic speakers make, plus a rule page in the Grammar Hub.

How this level is taught

1 **Prepare in the app**
Before each live class, your child meets the lesson's new words, sounds and sentences on their own, so they arrive ready.

2 **Live class on Microsoft Teams**
A real teacher leads the lesson for a small group of up to four students at the same level and lesson, with a supervisor on hand.

3 **Homework**
Spelling, Say It, Talk, a phonics or grammar step, and a short quiz, all tied to that lesson; plus a printable homework sheet and flashcards.

4 **Grow on the map**
A lesson counts as done after prep, the live class and homework. Then the next stop on the adventure map lights up.

This level's story: "The Crew"

A four-part illustrated story told in this level's own words, read aloud with each word lighting up, with the English and Arabic text on every page (and a Hide/Show text button for reading practice). Each part unlocks as your child progresses:

Part 1 Meet the Crew (after Lesson 5) · **Part 2** Around School (after Lesson 10) · **Part 3** Game Night (after Lesson 15) · **Part 4** The Big Match (after Lesson 20)

One level = 24 live classes, about 3 months

20 lessons plus 4 Bonus Classes (after Lessons 4, 8, 12 and 16), at 2–3 classes a week. Lessons run 45–90 minutes — shorter at the start of the level, the full 90 minutes for the Big Review in Lesson 20. Each Bonus Class runs 60 minutes.

The Everyday Life Hub and game

Open any time, not just during lessons: Vocabulary, Idioms, Writing & Speaking, Grammar, Songs, Word games (page 12). After every finished lesson, a new round of this level's game, **Crew Chat**, unlocks (page 14).

Inside a live class

Every lesson in Level 3 follows the same order, so your child always knows what comes next. The teacher shares the lesson on screen and every student takes part: tapping answers, speaking, playing for stars. Arabic is there whenever it helps: every word has its Arabic meaning, and grammar rules come with an Arabic explanation.

1 Hook

One question to get everyone talking about the lesson's topic.

2 First Listen and Crew Talk

A real conversation between the Crew, with recorded voices, read and acted out.

3 Grammar Time

Notice the pattern, learn the rule, practise it, then 10 Grammar Checks and Common Mistakes that Arabic speakers make.

4 New words

Verbs first, then words and phrases, each with a picture, Arabic and audio, then 10 Vocabulary Checks.

5 Describe It and Build the Sentences

Students describe a picture and build full sentences with the new grammar.

6 Reading Lab

In Lessons 3, 6, 9, 12, 15 and 18: a real text with questions (page 5).

7 Speaking games

Story Chain, Your Turn and Two Truths & a Lie, all using the lesson's grammar.

8 Challenge, real life and discussion

A final challenge, a link to real life and about five minutes of open discussion.

9 Recap

The lesson's verbs, words and grammar on one page.

A real vocabulary slide from Lesson 1 — picture, Arabic, example sentence and audio

Real reading, every third lesson

Six short illustrated texts across the level, written with the words and grammar your child has already met. Two questions start the conversation before reading. The teacher reads the first part, the students read the second part, then everyone answers questions. Every word your child has already studied glows — tap it to see its Arabic and the lesson it came from — and two or three new words are explained.

After reading, six questions go from **Find it** (the answer is in the text) to **Think** (read between the lines) to **You** (connect it to your own life).

3 **Gahwa or Bubble Tea?** Lesson 3
Culture & Taste

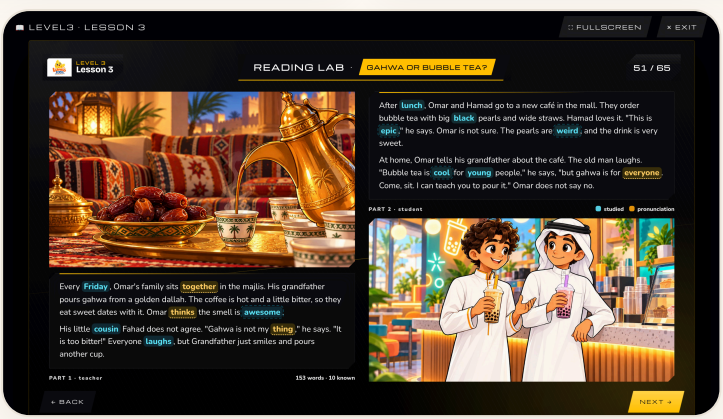

6 **Cousins Everywhere** Lesson 6
Family & Friends

9 **What Can Ziad Do?** Lesson 9
Skills & Gaming

12 **The New Kid from Jeddah** Lesson 12
School & Places

15 **Exam Week at the Library** Lesson 15
Study & Teamwork

18 **The Family Vote** Lesson 18

Four Bonus Classes: how English works

After every four lessons comes a 60-minute Bonus Class. It explains how English really works — sounds, spelling, grammar or where words come from — compares it with Arabic, and practises it with games and creative tasks. At home, your child completes a bonus mission board, and each Bonus Class has its own printable worksheet and cards.

B1 **Every Word Has a Job: Parts of Speech** لكل كلمة وظيفة: أقسام الكلام — After Lesson 4

Every word in a sentence has a job (noun, verb, adjective, pronoun, preposition), and every English sentence needs a verb, even when Arabic does not: He is a teacher, not He teacher.

B2 **Word Order: Who Does What** ترتيب الكلمات: مَن يفعل ماذا — After Lesson 8

In English the position of a word tells you its job: the doer comes first, then the verb, then the thing (S-V-O), and adjectives come before the noun and never change for plural or gender.

B3 **The Question Machine** آلة الأسئلة — After Lesson 12

English builds a question by moving a helper verb (is, are, can) in front of the subject; if there is no helper, it calls do or does. Arabic just adds هل *or changes the tone.*

B4 **Time Inside Verbs: Simple vs Continuous** الزمن داخل الأفعال: البسيط والمستمر — After Lesson 16

English uses two presents: the simple for habits and facts (I study every day) and the continuous for things in progress now (I am studying right now). Arabic يدرس *can mean both, and state verbs like know and want stay simple.*

The level test and certificate open after all 20 lessons and all 4 Bonus Classes.

hang out | chat | text | laugh

Lesson 1 flashcards (print double-sided)

Who they're for, and why

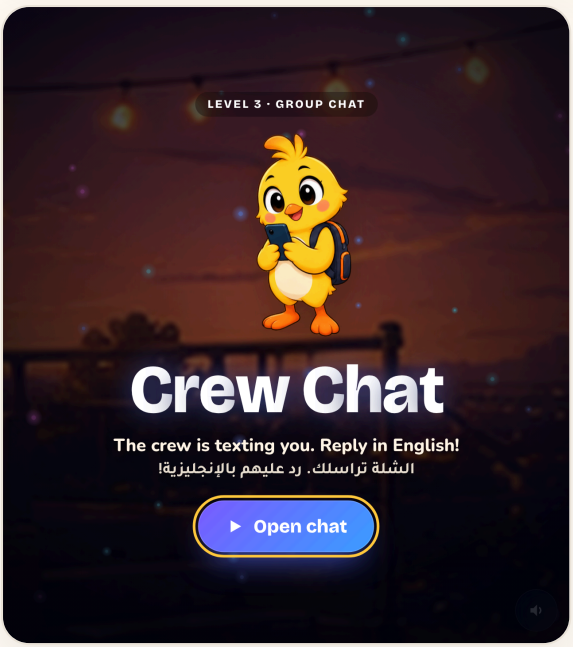

Writing practice: This is where the task changes for good. Instead of drawing or answering an open question, your child now writes three original sentences using that day's real grammar pattern -- for example, Present Simple in Lesson 1. This is production, not recognition: applying the rule your child just learned, not just picking the right answer on screen.

Flashcards: Every card shows the picture and English word on one side and the Arabic translation on the other. That means either parent can quiz their teen at home, even without speaking English themselves -- a quick flip-through is real, screen-free repetition that keeps vocabulary fresh alongside the grammar work.

Crew Chat — How It Works

Crew Chat, this level's game

A group-chat simulation with the full character cast, mixing four kinds of rounds: translating a word, describing a shared photo, spelling a word letter by letter, and understanding a full sentence.

How to play

1. Translate rounds: a crew member asks how to say an Arabic word in English -- tap the right reply, or spell it back letter by letter using scrambled tiles.
2. Caption rounds: a crew member shares a photo and asks what's happening -- your child picks which of the lesson's own real sentences actually describes it.
3. Meaning rounds: a crew member sends a full English sentence and asks what it means -- your child picks the matching Arabic translation, practicing whole-sentence understanding.
4. Every playthrough mixes all four round types, and a short answer streak gets a hype message from the crew. Correct answers appear as real sent messages, building an actual conversation as the game goes on.

A new round of the game unlocks after every lesson your child finishes, using that lesson's own words — so it is always practice, never random. The Hub adds Memory Match, Word Pop, Word Builder and Balloon Pop for extra word practice.

Progress, Level Test & Certificate

Progress you can see

Your child's page shows every lesson: prep stars, the live class (attended, with the teacher's grade and comment) and the homework score. Totals show lessons finished, attendance, and the average teacher grade. You can open the same page at any time with your child's ID and PIN.

1 **Finish the level**
All 20 lessons and all 4 Bonus Classes, each with its prep, live class and homework.

2 **Take the level test**
30 questions built from this level's own lessons: pictures, Arabic to English, sentences and listening. About 15 minutes.

3 **Pass with 70%**
Bands: Pass (70%+), Merit (80%+), Distinction (90%+). The test can be retaken, and the best score counts.

4 **Get the certificate**
With your child's name, CEFR A1, test score and band, attendance, teacher grade and a list of what they can now do.
