Level 4

Smart Choices

Complete Level Guide · Ages 11-13 · CEFR A1

20 Lessons + 4 Bonus Classes | 24 Live Classes | 221 Words | 13 Grammar Topics

Hey, I'm Ziad! Time to talk money, routines, and smart decisions.

Everyday decision-making in English: routines, money, requests, and advice -- the language your child needs to navigate real choices, not just describe the world around them.

By the end of this level, your child can:

- Ask and answer questions about routines (Do/Does)
- Say how often they do things (always, never, how often)
- Talk about time and order (before, after)
- Talk about what belongs to whom (mine, yours)
- Ask about prices and talk about saving money
- Make polite requests ("I'd like...") and give advice ("you should")
- Talk about future goals and other cultures
- Read a short text and answer questions about it

Sample vocabulary

routine روتين | snack وجبة خفيفة | advice نصيحة

Grammar

Do/does questions, frequency adverbs, object and possessive pronouns, some/any, countable and uncountable, superlatives, "I'd like", "should" and "want to" -- one grammar point per lesson, with practice, the common mistakes Arabic speakers make, and a rule page in the Grammar Hub.

How this level is taught

1 **Prepare in the app**
Before each live class, your child meets the lesson's new words, sounds and sentences on their own, so they arrive ready.

2 **Live class on Microsoft Teams**
A real teacher leads the lesson for a small group of up to four students at the same level and lesson, with a supervisor on hand.

3 **Homework**
Spelling, Say It, Talk, a phonics or grammar step, and a short quiz, all tied to that lesson; plus a printable homework sheet and flashcards.

4 **Grow on the map**
A lesson counts as done after prep, the live class and homework. Then the next stop on the adventure map lights up.

One level = 24 live classes, about 3 months

20 lessons plus 4 Bonus Classes (after Lessons 4, 8, 12 and 16), at 2–3 classes a week. Lessons run 45–90 minutes — shorter at the start of the level, the full 90 minutes for the Big Review in Lesson 20. Each Bonus Class runs 60 minutes.

The Smart Choices Hub and game

Open any time, not just during lessons: Vocabulary, Idioms, Writing & Speaking, Grammar, Songs, Word games (page 12). After every finished lesson, a new round of this level's game, **Squad Budget**, unlocks (page 14).

Inside a live class

Every lesson in Level 4 follows the same order, so your child always knows what comes next. The teacher shares the lesson on screen and every student takes part: tapping answers, speaking, playing for stars. Arabic is there whenever it helps: every word has its Arabic meaning, and grammar rules come with an Arabic explanation.

1 Hook

One question to get everyone talking about the lesson's topic.

2 First Listen and Crew Talk

A real conversation between the Crew, with recorded voices, read and acted out.

3 Grammar Time

Notice the pattern, learn the rule, practise it, then 10 Grammar Checks and Common Mistakes that Arabic speakers make.

4 New words

Verbs first, then words and phrases, each with a picture, Arabic and audio, then 10 Vocabulary Checks.

5 Describe It and Build the Sentences

Students describe a picture and build full sentences with the new grammar.

6 Reading Lab

In Lessons 3, 6, 9, 12, 15 and 18: a real text with questions (page 5).

7 Speaking games

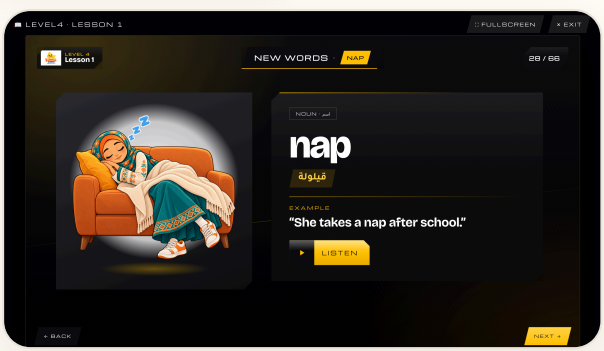

Story Chain, Your Turn and Two Truths & a Lie, all using the lesson's grammar.

8 Challenge, real life and discussion

A final challenge, a link to real life and about five minutes of open discussion.

9 Recap

The lesson's verbs, words and grammar on one page.

A real vocabulary slide from Lesson 1 — picture, Arabic, example sentence and audio

Real reading, every third lesson

Six short illustrated texts across the level, written with the words and grammar your child has already met. Two questions start the conversation before reading. The teacher reads the first part, the students read the second part, then everyone answers questions. Every word your child has already studied glows — tap it to see its Arabic and the lesson it came from — and two or three new words are explained.

After reading, six questions go from **Find it** (the answer is in the text) to **Think** (read between the lines) to **You** (connect it to your own life).

Four Bonus Classes: how English works

After every four lessons comes a 60-minute Bonus Class. It explains how English really works — sounds, spelling, grammar or where words come from — compares it with Arabic, and practises it with games and creative tasks. At home, your child completes a bonus mission board, and each Bonus Class has its own printable worksheet and cards.

B1 The -s Mystery and the Time Triangle لغز حرف -s ومثلث الوقت

After Lesson 4

English verbs once had an ending for almost every person, like Arabic verbs do; today only he/she/it keeps one (-s), and it has three sounds. For time, think of a triangle: at a point, on a day, in a longer period.

B2 How English Counts the World كيف تَعُدّ الإنجليزية العالم

After Lesson 8

Every language draws its own map of the world: English decides that some things are counted (a coin, two coins) and some are measured (money, information), even when Arabic counts them; and English uses one 'you' where Arabic has five.

B3 Word Builders: Roots, Prefixes and Suffixes بُناة الكلمات: الجذور والسوابق واللواحق

After Lesson 12

English builds many new words like Lego, by adding pieces to the front and back of a word (happy → unhappy → unhappiness); Arabic weaves vowels and extra letters around a root (usually three letters) (ك ت ب → كاتب، مكتب، مكتبة). Know the pieces and you can understand words you have never seen.

B4 Polite English: Sounding Kind and Clear الإنجليزية المهذّبة: كيف تبدو لطيفاً وواضحاً

After Lesson 16

Politeness is built differently in each language: Arabic often makes a direct request polite with formulas (لو سمحت، من فضلك, and in spoken Arabic يخليك الله), while English makes it polite with indirect questions and modals (Could you..., Would you mind..., I'd like...). So a word-for-word translation like 'Give me water' can sound rude in English, even with please.

The level test and certificate open after all 20 lessons and all 4 Bonus Classes.

wake up | study | practice | hang out
relax | chill | nap | hobby
alarm | energy | routine

Lesson 1 flashcards (print double-sided)

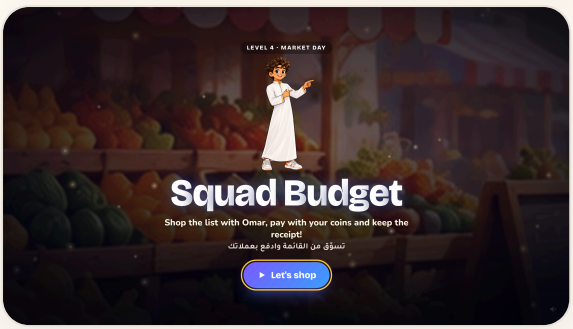

Who they're for, and why

Writing practice: Your child continues writing three original sentences using that day's real grammar pattern -- for example, Present Simple Questions in Lesson 1. This is production, not recognition: applying the rule just learned, in a sentence your child builds themselves, not one picked from a list.

Flashcards: Every card shows the picture and English word on one side and the Arabic translation on the other. That means either parent can quiz their teen at home, even without speaking English themselves -- a quick flip-through is real, screen-free repetition that keeps vocabulary fresh alongside the grammar work.

Squad Budget, this level's game

A shopping-list budgeting game that also practices real conversation: most rounds have your child "buy" items from an Arabic shopping list, and a couple of rounds ask what comes next in a real chat between friends.

How to play

1. Shopping rounds: an Arabic shopping list appears with priced market stalls -- your child listens for the word Lumi says, then taps the matching stall to "buy" it. A correct purchase adds it to a running receipt and deducts its price; a wrong tap costs nothing, and by the end the receipt shows everything bought plus coins left over.
2. Conversation rounds: two lines of a real back-and-forth chat appear, and your child picks what really comes next from three options -- genuine dialogue practice, not just vocabulary.

A new round of the game unlocks after every lesson your child finishes, using that lesson's own words — so it is always practice, never random. The Hub adds Memory Match, Word Pop, Word Builder and Balloon Pop for extra word practice.

Progress, Level Test & Certificate

Progress you can see

Your child's page shows every lesson: prep stars, the live class (attended, with the teacher's grade and comment) and the homework score. Totals show lessons finished, attendance, and the average teacher grade. You can open the same page at any time with your child's ID and PIN.

1 **Finish the level**
All 20 lessons and all 4 Bonus Classes, each with its prep, live class and homework.

2 **Take the level test**
30 questions built from this level's own lessons: pictures, Arabic to English, sentences and listening. About 15 minutes.

3 **Pass with 70%**
Bands: Pass (70%+), Merit (80%+), Distinction (90%+). The test can be retaken, and the best score counts.

4 **Get the certificate**
With your child's name, CEFR A1, test score and band, attendance, teacher grade and a list of what they can now do.
