Sample idioms your child will discover

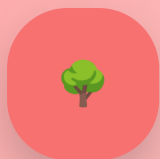

Break a leg — A fun way to say 'good luck!' before a show.

Let the cat out of the bag — To tell a secret by accident.

It's a small world — We say this when we meet someone in a surprising, connected way.

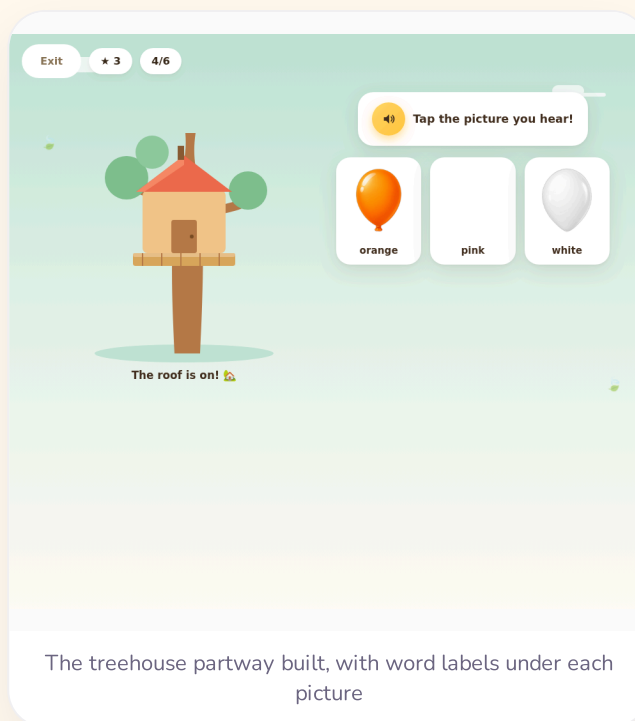

Once in a blue moon — Something that almost never happens.

A tip for home: the Hub isn't graded and has no quiz — it's a calm space for your child to browse freely. A two-minute look before bed, or right after finishing homework, is still genuinely valuable practice.

Treehouse Builder, this level's bonus game

The same listen-and-point idea as Pre-A, now with word labels under each picture — and every correct answer builds a treehouse, piece by piece.

How to play

- 1 Lumi says a word from the lesson; your child hears it and sees three labeled pictures.
- 2 They tap the picture whose word matches what they heard.
- 3 Each correct answer adds a new piece to the treehouse on screen — a wall, a roof, a ladder —
- 4 so your child can see their progress build in real time, not just a score going up.
- 5 By the final round, the treehouse is fully built and ready to celebrate.
