CEFR Pre-A1

20 lessons

160 words

Your child's very first steps into English: letters, numbers, colors, and the words for the people, animals, and things around them every day.

By the end of this level, your child can:

- Greet people and say their own name
- Recognize and name all 26 letters
- Count from 1 to 10
- Name colors, family members, and body parts
- Name common animals, foods, and school items
- Name favorite toys and simple actions
- Talk about feelings using simple words
- Follow simple classroom instructions

Sample vocabulary

Sample idioms your child will discover

It's raining cats and dogs — It's raining very, very hard!

Cool as a cucumber — Very calm, not worried at all.

A piece of cake — Something that is very easy to do.

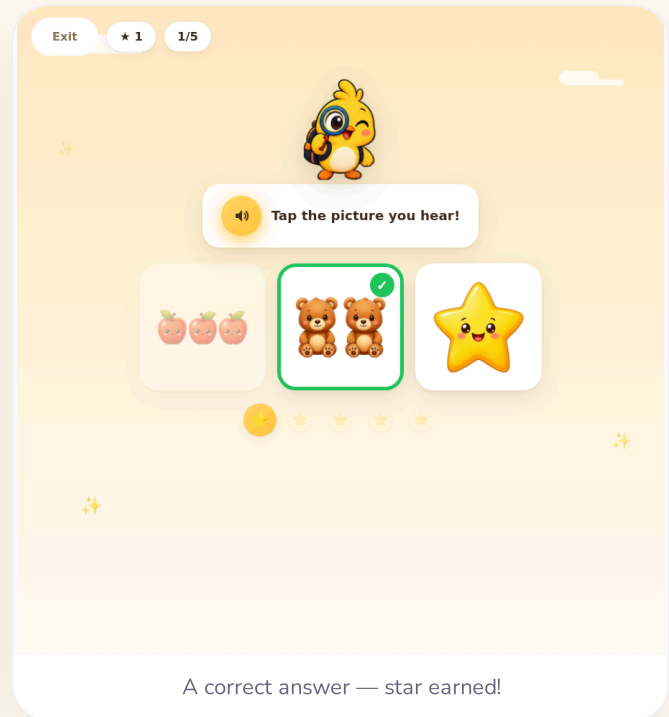

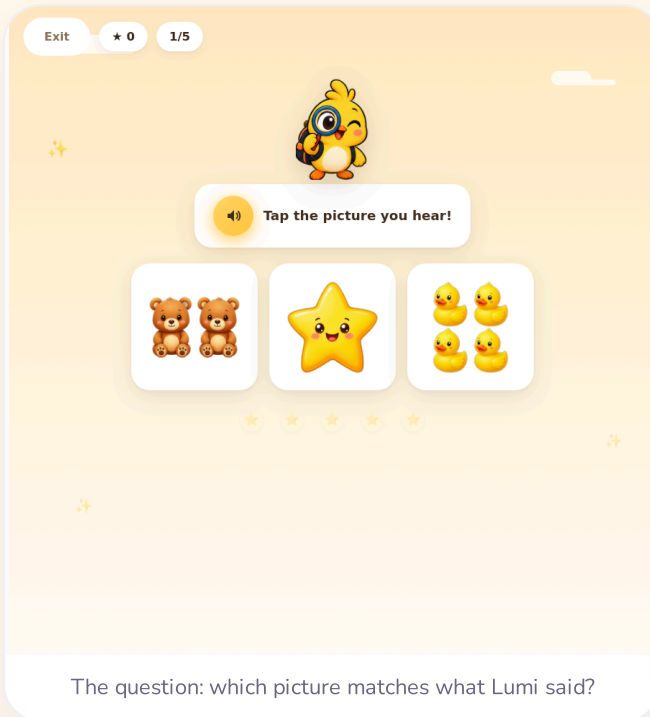

Butterflies in my stomach — Feeling a little nervous or excited.

A tip for home: the Hub isn't graded and has no quiz — it's a calm space for your child to browse freely. A two-minute look before bed, or right after finishing homework, is still genuinely valuable practice.

Lumi's Pocket, this level's bonus game

A simple listen-and-point game: Lumi says a word out loud, and your child taps the matching picture.

How to play

- 1 Lumi speaks a word from the lesson out loud (tap the speaker icon to hear it again anytime).
- 2 Three pictures appear on screen — only one matches the word Lumi said.
- 3 Your child taps the picture they think is correct.
- 4 A correct tap earns a star and a big celebration from Lumi. A wrong tap just gently shakes — no penalty, they simply try again.
- 5 After 6 rounds, all the words from that lesson have been reviewed through listening alone.
