10 Vocabulary Themes

Welcome to Level 1! I'm Omar -- let's build real sentences together.

Real sentences begin here: describing things, saying what your child likes and doesn't like, and talking about their home, clothes, and abilities.

By the end of this level, your child can:

- Form simple sentences with "this is..." / "I am..."
- Describe size ("big", "small") and count to 20
- Say what they like and don't like
- Name rooms, furniture, and clothes
- Talk about the weather and days of the week
- Use prepositions like "in", "on", and "under"
- Describe shapes and simple opposites
- Say what they can and can't do

Sample vocabulary

boy ولد	cat قطة	twelve اثنا عشر
yellow أصفر	bread خبز	
window نافذة	shoes حذاء	
stormy عاصف وممطر	sing يغني	
turtle سلحفاة		

Grammar

A new sentence pattern in nearly every lesson -- "this is", "I like", "I can", "where is" -- used in real sentences from day one. Formal grammar rules and the Grammar Hub begin in Level 3.

1

Prepare in the app

Before each live class, your child meets the lesson's new words, sounds and sentences on their own, so they arrive ready.

2

Live class on Microsoft Teams

A real teacher leads the same lesson in a small group of up to four students at this level, with a supervisor on hand.

3

Homework

Spelling, drawing, Say It and a short quiz, all tied to that lesson; plus a printable worksheet, writing sheet and flashcards.

4

Grow on the map

Every finished lesson lights up the next step on the adventure map and unlocks that lesson's bonus game.

This level's story: "The Treehouse Club"

A four-part illustrated story told entirely in this level's own words, with the text in English and Arabic under every page (and a Hide/Show text button for reading practice). Each part unlocks as your child progresses:

Part 1 The Big Idea (after Lesson 5) · **Part 2** Building Day (after Lesson 10) · **Part 3** Grand Opening Prep (after Lesson 15) · **Part 4** The Backyard Party (after Lesson 20)

The About Me Hub

Open any time, not just during lessons: Vocabulary, Idioms, Writing & Speaking, Phonics (page 9). And after every finished lesson, a new round of this level's bonus game, **Treehouse Builder**, unlocks (page 11).

Every lesson has the same shape: new words with pictures, Arabic and audio → listening and matching practice → a short quiz and spelling → homework, a printable worksheet and flashcards. Lesson 20 is the level's Big Review.

Live classes run 45–90 minutes depending on the lesson: a little shorter at the start of the level, and the full 90 minutes for the Big Review in Lesson 20.

Lesson 1 flashcards (print double-sided)

Who they're for, and why

Writing practice: At this level, the task is still tracing and copying each word by hand, then drawing a picture for it. This continues building letter formation and muscle memory before sentence-writing begins at Level 3, and gives your child a non-verbal way to show they understood a word.

Flashcards: Every card shows the picture and English word on one side and the Arabic translation on the other. That means either parent can quiz their child at home, even without speaking English themselves -- a two-minute flip-through before bed is real, screen-free repetition that helps new words genuinely stick.

Treehouse Builder, this level's bonus game

A phonics-focused listening game: Lumi says a specific word built from letter sounds your child has already learned, and they find it among other words from that same phonics group -- with a treehouse piece added for every correct answer.

How to play

1. Lumi says a specific word (for example, "egg") built from phonics sounds your child has already covered in this level, and shows a few labeled pictures.
2. Your child taps the picture whose word matches what they heard -- since the sounds are still fresh, this trains real letter-sound recognition, not just picture memory.
3. A few rounds also use this lesson's own vocabulary and example sentences, so words and simple sentence patterns get practiced too.
4. Each correct answer adds a new piece to the treehouse -- a wall, a roof, a ladder -- until it's fully built and ready to celebrate.

A new round of the game unlocks after every lesson your child finishes, using that lesson's own words — so it is always practice, never random.
